### SALE OF STORE CATTLE AND BREEDING CATTLE

McCartneys report a smaller entry of store and breeding cattle for their June sale held on Tuesday 1<sup>st</sup> June 2010. The sale of all cattle met a good trade which would be slightly easier than the previous month mainly due to pressure on the fat cattle trade. All cattle forward met with a good trade and a good level of local and regional buyers.

Well-bred cattle were at market premiums. The quality of the cattle at the sale was good.

On the day of the sale there was also a good entry of Cows & Heifers with Calves at foot, which met a good trade with buyers travelling to Kington from a wide area.

June store cattle sale and prices were as follows:

Top price paid for cattle on the day was £905 for some Charolais x Steers from AM & GJ Probert

Steers averaged £1.60 per kg with a top of £1.75 per kg for some Charolais x steers from AM & GJ Probert

Heifers averaged £1.48 per kg with a top of £1.55 per kg for some Limousin x heifers from D & EJ Bufton
